The Importance of Rewards?

Your job is your bonus!

Why Reward and Recognise?

The results are tangible

- Rewarding organisations have four times the sales growth of organizations that do not reward;
- Rewarding organisations produce twice the revenue of nonrewarding organizations, and
- They have significantly higher jobs growth.
- Average return on investment in a reward and incentive system is 300%

Feedback

"We have started working with Luckebox in early 2011 and we are delighted with our relationship so far. They have come up with some very creative ideas & incentives and are extremely responsive to all requests. The teams have been delighted with what Luckebox have developed and implemented so far. We look forward to even further developing our partnership with Luckebox in the future."

Feedback

‘We ran three incentive programs this summer and luckebox was a clear favourite with the staff’

‘The excitement individuals got when boxes arrived was brilliant for the team’

‘Mystery items and the luckedip boxes where fantastic’

‘A huge difference than just handing out vouchers. Much more impactful ...appreciated by agents and team leaders alike’

‘We’ll definitely use Luckebox again’
